It's a square little town until a hip-swivelin', guitar-playin' roustabout kick starts this high energy retro musical that will have everyone jumpin' out of their blue suede shoes. A young mechanic named Natalie dreams of escaping her quiet Midwestern life. When a tall, handsome motorcycle ridin' stranger with blue-suede shoes and a guitar strapped to his back rides into town in search of a mechanic, Natalie's whole life changes. She falls instantly in love with the new stranger, but he won't give her the time of day. So Natalie disguises herself as "one of the guys" to get closer to him. But as Chad brings romance, rebellion and rock n roll into the town, he only has feelings for the shapely Miss Sandra who runs the local museum. Mistaken identities and outlandish who-loves-who mix-ups ensue and the town suddenly bursts to life and creates a feel-good story of crazy love triangles with laugh-out-loud comedy.

This isn't an Elvis tribute show... it's better! There's high energy dance numbers and it features more than 24 of The King's greatest hits like *Love Me Tender*, *Heartbreak Hotel*, *One Night With You*, *Teddy Bear*, *Hound Dog*, *That's All Right*, *It's Now or Never*, *Blue Suede Shoes*, *Don't Be Cruel*, *Can't Help Falling in Love*, *A Little Less Conversation*, *Jailhouse Rock*, *Fools Fall in Love*, *Burning Love* and *Come On Everybody*.

-and 1-

You can't help fallin' in love with *All Shook Up*... it's now or never to get your seats!
