Mama's Black Sheep is the musical collision of singer- songwriters Ashland Miller (guitar/ vocals) and Laura Cerulli (drums/ vocal). With a casual demeanor onstage, these ladies will make you feel like you've known them and their music for years. Perhaps you have, as they are both veterans of the singer- songwriter circuit. Unmarked Highway is the debut CD for Mama's Black Sheep, who have been touring together since 2008. Effortlessly erasing boundaries between the genres of Blues, pop, R&B and Acoustic Rock music, Unmarked Highway is a journey about love & life, featuring rich vocal arrangements, poignant lyrics and an underlying groove between the musicians.
